Preamble

This Agreement is entered into this 11th day of January, 2022, by and between the School Board of Clay County, Florida, hereinafter called the "Board," and the Clay County Education Association, an affiliate of the Florida Education Association, the National Education Association, the American Federation of Teachers, and the AFL-CIO, hereinafter called the "Association."

WITNESSETH

WHEREAS, the Board and Association have agreed to negotiate in good faith with respect to salaries, hours and all other terms and conditions of employment and, now, having reached an agreement on all such matters, desire to enter into this contract embodying such agreements, and in consideration of the following and mutual covenants, it is hereby agreed as follows:

2022 - 2024 Master Contract

Article I: Recognition

- A. The Association recognizes the Board as the duly elected representative of the public and agrees to negotiate only with the Board, through its chief executive officer or his/her designee.
- B. The Board hereby recognizes the Association as the exclusive bargaining representative for the following unit of employees in the certification instrument (Case No. 8H-RA-754-1011: Certification No. 32) as amended Case No. MS-78-010 issued by the Florida Public Relations Commission on the 17th day of April, 1975 and amended on the 11th day of February, 2015.
- C. The term “employee” or “teacher” when used hereinafter shall refer to all professional members of the instructional staff employed by the School District of Clay County represented by the Association in the bargaining unit.

2022 - 2024 Master Contract

Article II: Negotiation Procedures

- A. The parties agree to a bargaining process within the authority of Chapter 447 of the Florida Statutes. The contract will be in effect for a three year period and will be opened for “full-book” bargaining prior to its expiration in the third year. All compensation and benefit matters shall be automatically reopened for negotiation each year. In addition, each party will have the right to open two additional articles of their choice for negotiation each year. Matters not specifically covered by this Agreement but of common concern to the parties shall be subject to professional negotiations between them from time to time during the period of the Agreement upon request by either party to the other. The parties agree to cooperate in arranging meetings, selecting representatives for such discussions, furnishing necessary information and otherwise constructively considering and resolving any such matters. Further, each party will submit to the other, at least twenty-four (24) hours prior to the meeting, an agenda covering what they wish to discuss. Should such a meeting result in a mutually acceptable amendment to this Agreement, then the amendment shall be subject to ratification by the Board and the Association.
- B. When deemed necessary by the parties, release time will be provided for the negotiating committee of the Association to meet during regular school hours for the purpose of reaching an agreement as rapidly as possible. Otherwise, all such negotiations shall be conducted after regular school hours.
- C. In any negotiations described in the Agreement, neither party shall have any control over the selection of the negotiating representatives of the other party. It is recognized that no final agreement between the parties may be executed without ratification by a majority of the Board and by a majority of the membership of the bargaining unit, but the parties mutually pledge that their representatives shall be clothed with all necessary power and authority to make proposals, counter proposals, make concessions, and reach tentative agreement in the course of negotiations. Throughout negotiations, all tentative agreements shall be signed by representatives designated by each party; there will be four (4) signed copies of any final agreement. Two (2) copies shall be retained by the Board and two (2) by the Association.
- D. During the course of any negotiations described in this Article, the parties mutually pledge that such negotiations shall be conducted in good faith.
- E. Any cost incurred through the cost of a mediator and/or Special Master will be shared equally by the Board and Association.
- F. Should any provision of this Agreement be declared illegal by a court of competent jurisdiction, said provision shall become null and void, and shall in no way affect the validity of any other provisions of this Agreement. Furthermore the parties shall either immediately meet to reopen negotiations on that provision/application or mutually agree, in writing, to deal with the matter in subsequent negotiations.
- G. The parties agree all employees of the Board shall implement and carry out the provisions of this collective bargaining agreement. The agreements in the Contract shall supersede any rules, regulations, or practices of the Board which are contrary to or inconsistent with the terms recorded herein.
- H. There shall be two official signed copies of the final ratified Contract, one to be retained by each of the parties. Each school website will contain an operable link to the current contract. The School Board/District website will contain an operable link to the current contract. Each worksite will receive five (5) hard copies provided to each worksite for the following placement: one copy to the School/Site CCEA Representative; one copy in the teachers’ lounge or workroom; and a copy for each administrator on campus. The Association will receive twenty-five (25) hard copies of the Master Contract. Such contract distribution shall be completed within six weeks of ratification.

- I. Forms required for the implementation of any part of this contract shall be comprehensive in design and shall meet MIS standards.

2022 - 2024 Master Contract

Article III: Grievance Procedure

A. Definitions

1. Teacher - The term "teacher" as used in this Article shall mean teacher, group of teachers, employee, or group of employees recognized in the bargaining unit as defined in Article I.
2. Work Days - The term "days" as used herein shall mean teacher work days as set forth in the official school calendar as adopted by the Board.
3. Grievance
 - a. Any claim by a teacher or group of teachers that there has been a violation, misinterpretation, or misapplication of the Agreement to which aggrieved teacher(s) is a party, may be processed as a grievance as hereinafter provided.
 - b. Any claim by a teacher, or group of teachers that there has been a violation, misinterpretation, or misapplication of any rule, order, or regulation of the Board which affects only the wages, hours, and terms and conditions of employment of the teacher(s) to which the aggrieved teacher(s) is a party, may also be processed as a grievance as hereinafter provided.
 - c. Board regulations, rules, or orders not meeting the above criteria will not be grievable.
 - d. If such a claim would affect a department(s) within a school, then such claim shall be filed as a "class" grievance.
4. Superintendent - The "Superintendent" as used in the Agreement shall mean "superintendent or designee."

B. Whenever a teacher, class as herein defined, or the Association feel that there is a grievance, the immediate supervisor having authority to correct the alleged violation shall be conferred with on an informal basis no later than ten (10) working days from the occurrence of the event or events giving rise to the grievance in an effort to arrive at a mutually satisfactory solution to the grievance. In the case of an aggrieved employee whose employment has been terminated through resignation, dismissal or non-renewal, such informal conference must take place within the time period specified herein but no later than five (5) work days from the date of termination. When a solution is not mutually determined, the more formal procedure may be initiated in order to resolve the grievance. Grievances shall be conducted in private to the extent permitted by law. The aggrieved teacher shall have the right to request the presence of the Association representative at any step properly initiated in the process by the aggrieved. Nothing in this agreement shall be construed to prevent any teacher from presenting at any properly initiated step his/her grievances in person or by legal counsel.

C. Class Grievance

1. If the particular grievance is a "class" grievance affecting teachers in one school site, a grievance committee made up of the aggrieved teachers with an Association representative and the school administration shall be formed to discuss the problem informally. If this does not result in a satisfactory resolution, the formal grievance procedure shall be initiated at Level I with all aggrieved teachers in the class signing the grievance. The same time limitations and other requirements as set forth for the institution of grievances at Level I shall apply.

2. If the particular grievance is a "class" grievance affecting teachers in more than one site, the grievance shall be processed directly to Level II and shall be subject to the same time limitations and other requirements as set forth for the institution of grievances at Level I. Such grievance must be presented no longer than ten (10) work days following the informal hearing.

D. Written grievances as required herein shall contain the following:

1. Shall be signed by the grievant or grievants;
2. Shall be specific and related to the alleged violation;
3. Shall contain a synopsis of the facts giving rise to the alleged violation;
4. Shall cite the section or subsections alleged to have been violated;
5. Shall contain the date of the alleged violation;
6. Shall specify the relief requested;
7. Any written grievance not in accordance with the above requirements may not be acted upon until submitted in proper form.

E. All documents, communications and records dealing with the processing of a grievance will be considered confidential to the extent permitted by law, and will be filed separately from the personnel files of the aggrieved teacher.

Level I

The teacher shall submit in writing to the principal or immediate supervisor a copy of the grievance presented on the form set forth in Appendix II. Such grievance must be presented within a reasonable time, but in no event longer than ten (10) work days following the informal hearing. The principal or immediate supervisor shall have five (5) work days upon receipt of the grievance to meet with the teacher in an effort to resolve the grievance. The principal or immediate supervisor shall indicate his/her disposition of the grievance in writing within three (3) work days after said meeting, and shall furnish copies thereof to the teacher, to the Association and Superintendent.

Level II

If the grievance is not resolved at Level I, the aggrieved teacher may file an appeal to the Superintendent or his/her designee within ten (10) work days after he/she has received the disposition of Level I. The written appeal shall be attached to the grievance form. After receipt of appeal, the Superintendent or his/her designee shall meet and confer with the aggrieved teacher with a view to arriving at a mutually satisfactory resolution of the grievance. At the conference(s), the teacher, his/her representative, and the representative of the Association, if different from the teacher's representative, must be present. Absence of the Association representative will not prevent the conference(s) from being held if the Association has been given forty-eight hours prior notice. Notice of the conference shall be given also to the principal or immediate supervisor who rendered the decision at Level I. The principal or immediate supervisor may be present at the conference(s) to state his/her views. Within fifteen (15) work days after receipt of appeal, the following shall occur:

1. A conference shall be scheduled and held.
2. The Superintendent or his/her designee shall communicate his/her decision in writing together with the supporting reasons to the aggrieved teacher and the Association. The principal or immediate supervisor who rendered the decision at Level I shall also receive a copy of the decision at the same time. Nothing herein shall prevent the grievant from petitioning the School Board for a hearing at a special session or for the Board to initiate a hearing on the grievance.

Level III

If the Association is not satisfied with the disposition of the grievance by the Superintendent, or if no disposition has been made by the Superintendent within the period provided, the Association may file within ten (10) work days, a written notice with the Superintendent or his/her designee that arbitration before an impartial arbitrator is being requested. A request by the Association shall be filed with the American Arbitration Association or Federal Mediation and Conciliation Service within five (5) work days after this notice has been filed with the Superintendent. The rules of the AAA or FMCS will govern the arbitration proceedings. The Board and the Association shall not be permitted to assert, in such arbitration proceedings, any ground or any evidence not previously disclosed to the other party unless mutually agreed upon. Both parties agree that the award of the arbitrator shall be final and binding.

F. General Provisions

1. Any grievance which arose prior to the effective date of this Agreement shall not be processed through these procedures.
2. The affected supervisor shall be warned when a discussion with a teacher is being considered by the employee to be the informal step of this process.
3. A grievance may be withdrawn at any level, but that same grievance may not be filed a second time.
4. The filing of a grievance shall in no way interfere with the right of the Board to proceed to carry out its management responsibilities, subject to the final decision of the grievance.
5. The losing party shall pay all fees and expenses of the arbitration step in this procedure.
6. The time limits provided in this Article shall be strictly observed, but may be extended by written agreement of the parties. In the event a grievance is filed after May 15 of any year, and strict adherence to the time limits may result in hardship to any party, the administration shall use its best efforts to process such grievance prior to the end of the school term or as soon thereafter as possible. Whenever illness or other incapacity of any necessary party prevents his/her presence at a grievance meeting, the time limits shall be extended to such time that the party can be present.
7. Any teacher involved in any manner in any grievance procedures shall not be subjected to any prejudicial treatment because of such participation.
8. It is the mutual intent of the Board and the Association to resolve all grievances at the earliest possible level of the grievance procedure.
9. Arbitration proceedings are to be conducted outside regular working hours unless the Board consents in writing to the contrary. When grievance meetings and arbitration proceedings are held during school hours, all employees whose presence is required shall be excused, with pay, from their normal duties.
10.
 - a. Any party who has filed for arbitration proceedings but who subsequently withdraws such request shall pay all fees assessed by the arbitration agency and/or arbitrator. However, if the respondent and charging party mutually agree in writing to a modification in a Level II determination prior to the arbitration hearing and such modification results in an immediate request by the charging party for withdrawal of arbitration, then the fees assessed by the arbitration agency and/or the arbitrator shall be shared.
 - b. The arbitrator shall not have the power or authority to make any decision contrary to law or beyond his/her jurisdiction. The arbitrator shall limit his/her decision to the terms of this Agreement; and shall not add to, subtract from, modify, or alter the terms of this Agreement or School Board Policy.

11. Any grievance initiated through the procedure outlined herein may not be filed a second time.
12. Reasonable accommodation will be made for handicapped School Board employees involved in the grievance process.

2022 - 2024 Master Contract

Article IV: Association and Teacher Rights

Further, the Board will not discourage, deprive or coerce any teacher in the enjoyment of any rights conferred by this Agreement; that it will not discriminate against any teacher with respect to wages, hours, or any terms or conditions of employment by reason of membership in the Association, participation in any lawful activities of the Association, or collective professional negotiations with the Board, or institution of any grievance, complaint or proceeding under this Agreement.
- B. A copy of the Master Contract will be posted on the District website along with five (5) hard copies provided to each worksite for placement in the library, teachers' lounge, main office, etc. In addition, the Association will receive twenty-five (25) hard copies of the Master Contract.
- C. When the Association desires to use a school facility for a meeting involving members, the Association President or his/her designee, will discuss the date, time and any additional requirements with the principal at least one (1) week in advance, if possible, to secure permission in writing. The Association is authorized to use the school system teacher mailboxes for communications to teachers. Communications posted on the bulletin board or placed in the mailboxes shall not be slanderous or political campaign material. The Association shall assume the responsibility for placing such communications in the mailboxes. A copy of materials to be placed in the mailboxes shall be submitted to the principal and Human Resources Division prior to distribution. All correspondence must include Association name.

 - 1. During the teacher's lunch period.
 - 2. Before and after the teacher's scheduled day.
 - 3. Visitation as outlined in (1.) and (2.) above must not interfere with or disrupt normal school operations.
 - 4. When an Association representative desires to visit a school, he/she must make prior scheduling arrangements in advance of the visit with the school principal.
 - 5. The Building Representative shall be given an opportunity at the end of each school faculty meeting to make announcements of time, place, and topics of future meetings to all faculty.
 - 6. The Building Representative shall be given an opportunity to hold one (1) ten (10)-minute meeting each month during contracted hours to conduct Association Business.

- G. The Board agrees to give the Association reasonable access to all public records within its jurisdiction. The Board will make available to the Association a copy of the Discussion and Consent Agendas of regularly scheduled Board meetings, including backup material. The Board will be supplied with copies of communications delivered to all teachers both electronically and through school mail with the exception of information regarding membership. The Association with approval of the Superintendent or designee may be permitted the use of the employee's electronic mailboxes (email) and the district courier service for joint communiques or the announcement date, time and place of meetings.
- H. The teachers shall be entitled to full rights of citizenship and no religious or political activities of any teacher or the lack thereof shall be grounds for any discipline or discrimination with respect to the professional employment of such teacher. Religious and political activities of individual teachers will not be carried on during the school day.
- I. Members of the bargaining unit may join the Association by completing and submitting the Payroll Deduction Form (Appendix I). The Payroll Deduction Form will be submitted to the Association. Pursuant to such submission, the Board shall deduct from the teacher's salary check such monies in equal payments beginning the first pay date after proper submission.
1. Such authorization and dues deduction shall continue in effect unless a written request by the employee to revoke such authorization is delivered to the Association and the School Board not less than thirty (30) days prior to the affected pay date. The Association will submit the list and the signed authorization to the Payroll Office by not later than fifteen (15) days prior to the affected pay date or end of school year. Such list and authorizations shall stipulate the last date deductions are to be made.
 2. The Association shall notify the Payroll Office of any changes in the amount of dues to be deducted with a list as stipulated in paragraph (1.) certified by the President by no later than August 15.
 3. The deductions shall be remitted not less frequently than monthly to the Association. Any list or authorization not submitted in the manner specified in this provision shall be returned to the Association for recalculation, new authorizations and resubmission.
 4. The Association shall indemnify and save and hold harmless the Board against any and all claims, demands, suits and any other forms of liability that shall arise out of or by reason of action taken or not taken by the Board for the purpose of reliance on any lists, notice or assignment furnished by the Association as it applies to this section.
- J. Upon appropriate authorization from the teacher, the Board shall deduct from the salary of any teacher and make appropriate remittance for payroll deduction programs currently in effect. Additional programs may be approved according to the following guidelines:
1. Insurance companies desiring payroll deduction must present at least twenty-five (25) completed applications.

Employees signed up for payroll deduction with such companies shall be notified in writing by the payroll department prior to losing the payroll deduction with that company.

- K. When it is necessary for the Association President and/or his/her designee(s) to engage in Association activities directly relating to duties of the Association which cannot be performed other than during school hours, or are the result of an emergency situation, the said representative(s) may apply for Association Leave with pay as is necessary to perform any such activities. Salary costs paid by the Board during approved Association Leave shall be reimbursed by the Association. Such leave must be applied for in advance and approved by the principal. Approved leave of this type taken by the Association shall not exceed a total of thirty (30) days per school year. Said days shall be deducted in accordance with School Board policies, and shall usually be limited to five (5) representatives during any school calendar day, with the exception of the annual FEA Delegate Assembly where the Association may release up to thirty-five (35) representatives with no more than four (4) from any one worksite. The Superintendent may grant TDE with pay to association representatives to participate with the administration in activities which are deemed to be in the best interest of the school system.
1. The Association may request release for more than five (5) representatives on those rare occasions when this may be necessary, by obtaining the approval of the Superintendent. If additional members are approved, the association will pay the salary cost and the cost of a substitute teacher if one is needed. Substitute costs shall be remitted to the school or cost center in which the CCEA member is employed.
- L. Extended Association Leave may be granted to the President of the Association and another Association Officer or officer intern for a period of up to one school year, subject to annual renewal. The President shall continue receiving full pay and fringe benefits (including FRS retirement) and shall be paid a salary as authorized by the Executive Board of the Association during such leave from the School Board provided the Association reimburses the Board for such full pay and fringe benefits. If an additional officer or officer intern is authorized by the Executive Board of the Association, the officer shall continue receiving full pay and fringe benefits (including FRS retirement) and shall be paid a salary as authorized by the Executive Board of the Association during such leave from the School Board, provided the Association reimburses the Board for such full pay and fringe benefits. Such leave shall be requested at least sixty (60) days in advance of the affected school year. The procedures for salary and fringe benefit reimbursement shall be agreed to by the Board prior to leave approval.
1. Extended Association Leave without pay may be granted to an officer of the Association or to an employee who is a member of the bargaining unit under the following conditions:
 - a. Such an employee shall have been designated as an "intern trainee" by the local or state affiliate or shall be an officer of the state or national affiliate.
 - b. Such leave shall be effective for the balance of the school year during which the respective term of office or training period will run.
 - c. Documentation shall be provided substantiating the member's status and the request of the appropriate affiliate at least sixty (60) days in advance of the affected school year.
 2. At the beginning of the next school year, such employee shall return from such leave in the same manner as other employees returning from Extended Personal Leave. However, in the case of a President returning from Extended Association Leave, the President shall be reassigned to a similar position in the District, and whenever possible, to the previously held position.
 3. In the event that the CCEA President is a National Board Certified teacher and in the event that the State of Florida determines that National Board monies are to be withheld due to the release responsibilities of the CCEA presidency, the Board agrees to pay 60% of the monies including benefits that would have been paid by the State inclusive of mentoring hours and the Association shall pay 40% of the monies.

M. Admission to School Athletic Events

Members of the bargaining unit shall be admitted without charge to any school sponsored home athletic event in the district. This provision shall not apply to state athletic playoff events. At all such events, the member shall provide identification substantiating the member's employment in the district.

- N. Principals and Building Representatives shall have an annual meeting to review contract language and build collegiality. Additionally, principals and the lead representative shall meet quarterly at a mutually agreed upon time to discuss issues and solutions to enhance employee relations.
- O. The Association shall be included on the agenda and be given an opportunity to speak at new teacher orientations that are conducted by the Professional Development Department.
- P. Prior to any request for deviation from the terms of this contract, the administrator must request approval in advance from the Assistant Superintendent of Human Resources, who will meet with the Association President to discuss such request. Any agreement between the Assistant Superintendent and CCEA will be memorialized in a memorandum of understanding (MOU) between the parties.

2022 - 2024 Master Contract

Article V: Management's Rights and Responsibilities

- A. The Board expressly reserves without limitation all statutory rights, powers and authority conferred upon it and vested in it, including but not limited to inherent and common law management rights, those rights conferred in the Constitution of the State of Florida, Florida Statutes, regulations of the State Board of Education and by federal laws and regulations.
- B. It is the right of the public employer to determine unilaterally the purpose of each of its constituent agencies, set standards of services to be offered to the public, and exercise control and discretion over its organization and operations. It is also the right of the public employer to direct its employees, take disciplinary action for proper cause, and relieve its employees from duty because of lack of work or for other legitimate reasons. However, the exercise of such rights shall not preclude employees or their representatives from raising grievances should decisions on the above matters have the practical consequence of violating the terms and conditions of any collective bargaining agreement in force.
- C. Fees for Dues Deduction

The parties agree that the Association shall reimburse the Board for the cost of bookkeeping, retention, and transmittal of funds for the Association dues deducted by the Board. In lieu of such reimbursement for dues deductions, the Board shall retain the first \$100 deducted by the School Board for said dues provided no changes in dues occur after August 15 of the affected school year. If any change in the dues deduction rate is requested by the Association, the Board shall retain an additional \$.40 per affected teacher. This fee shall be effective the 1981-82 school year. The Association shall indemnify and save and hold the Board harmless against and from any and all claims, demands, suits, or other forms of liability that may arise out of or by reason of action taken or not taken by the Board on the account of deducting dues.

3. Scheduled Week

- a. A flexible scheduled week for a school faculty may be established in advance but only through mutual agreement between the principal and faculty.

- c. A flexible scheduled week may include days with hours which vary from the standard scheduled day in VI.B.1. above but shall not be more nor less than the hours in a standard scheduled week established in VI.B.1. above.
- d. The flexible scheduled week for a faculty or for an individual teacher may occur within any consecutive five-day work period.
- e. The scheduled week for a school faculty shall be submitted to the Superintendent of Schools in writing before such schedule may be implemented.

4. Restrictions

Faculty meetings will conclude within the seven (7) hour and thirty (30) minute scheduled day.
- D. Observations of a class by persons other than school administrative/supervisory personnel shall be arranged with the school principal. The principal will consult with the teacher involved and give him/her 24 hours of notice of any parent or non-district personnel requesting to observe a class before granting such permission. This section shall not apply in the case of teacher evaluation.
- E. Whenever possible, classrooms in which classes are being held shall be free of unnecessary interruptions by intercommunication systems, maintenance, custodian or construction workers or other disturbances.
- F. When possible, teachers will be given advance notice equal to five (5) workdays of classroom cancellations due to changes in activity schedules and assemblies.
- G. As may be required by the Clay County Teacher Induction Program, and when deemed necessary by the Support Staff and approved by the principal, the Peer Teacher shall be provided time during the student contact day to perform observations and other duties related to the Teacher Induction Program which cannot be performed at any other time. Every effort shall be made to select the peer teacher on a voluntary basis.

Should the other teacher, whose insurance will not be paid by the School Board wish to have the coverage, that teacher will be responsible for the entire premium.
- J. For the purpose of job sharing, a full time position will be defined as 50% of a full position plus one day (99 days). All leave policies of the contract apply to job-sharing teachers with the following exception.

Each teacher will be allowed to earn five sick leave days, three of which may be personal leave. These teachers may use accrued sick leave from previous years.

- K. All other articles contained in this Agreement will apply to the teachers who job share including reduction in force procedures.

2022 - 2024 Master Contract

Article XVI: Leaves

A. Terms

1. Leave granted by the School Board, the Superintendent or his/her designee shall be taken by the individual for the purpose for which it was requested and granted. A teacher who is granted sick, extended sick, child care, maternity, FMLA, illness-in-line-of-duty, or personal leave shall not accept full-time employment while on such leave of absence. This condition may be waived by action of the Board. A teacher who has been absent for 10 consecutive days or for 15 days in a 20 work day period for the same or related cause shall request the appropriate extended leave of absence in accordance with the rules set forth in this Article. Should such teacher fail to provide sufficient documentation to be eligible for the appropriate extended leave, the School Board shall place such teacher on extended personal leave for the balance of the school year. Teachers may be granted up to two (2) consecutive years of extended leave if such request is filed and approved in the manner set forth in this Article.
2. Teachers who want to return from extended leave which terminates at the close of the school year shall notify Human Resources in writing by March 1 of the school year for which leave was granted. If leave is granted after March 1, this written notification of the desire to return shall be submitted with the leave request. Upon return from leave which terminates at any time during or at the end of the school year, reassignment to a vacant position will be based on seniority to a vacant position in which he/she is qualified, provided that the teacher holds a continuing contract or professional services contract. The School Board shall not be responsible to any teacher who fails to submit such a request in writing as specified above.
3. A request for an extension of an approved extended leave or for a second extended leave in the same school year shall be considered by the Board on a case-by-case basis. Where, in its discretion, the Board determines such repeated leave requests by the teacher are detrimental to the best interests of the students, such leave may be granted only for the remainder of the school year. It will be considered a single leave request when child care leave is requested subsequent to and consecutively taken after maternity leave, if notice is given with the maternity leave request that child care leave will be requested. The Board shall not be responsible for reinstatement of a teacher to any vacant position except as otherwise provided herein.
4. Teachers who are denied leave of any type shall be given the reason(s) and rationale for such denial when action is taken.
5. "Full-time" as used in this article shall mean a person contracted for a six-tenths (.6) or greater allocated position or for six-tenths (.6) or more of each consecutive day during the contract period.

B. Short Term Leaves

1. As used in this section, one day of short term leave for the purpose of accrual and use shall mean to be the equivalent in hours.
2. Sick Leave

Each teacher employed on a full-time basis who is unable to perform his/her duty in the school because of illness, or because of illness or death of father, mother, brother, sister, husband, wife, child, other close relative, or member of his/her own household and consequently has to be absent, shall be granted leave of absence for sickness. He/she shall be entitled to four (4) days of sick leave as of the first day of employment of each contract year and shall thereafter earn one day of sick leave for each month of employment, which shall be credited to him/her at the end of that month and which shall not be used prior to the time it is earned and credited to

him/her. Each teacher shall be entitled to earn no more than one day of sick leave times the number of months of employment during the year of employment. If the teacher terminates his/her employment and has not accrued the four (4) sick days available to him/her, the School Board may withhold the average daily amount for the sick days utilized but unearned by the teacher. Such sick leave shall be cumulative from year to year. There shall be no limit on the number of days of sick leave a teacher may accrue except that at least one half of this cumulative leave must be established within the district. Teachers are responsible for requesting that accumulated sick leave earned in another county be transferred to the district. Transferred sick leave will be posted on the record of the teacher at the rate of one day for each day earned in the district. Effective 7-01-97, employees may begin requesting that accumulated sick leave earned while employed by another educational entity governed by the Florida Retirement System (FRS) be transferred to the district. Beginning on 7-01-97, the transferred sick leave from another FRS-governed educational entity will be posted on the record of the employee at the rate of one day for each day earned in the district. Before receiving compensation for the time absent on sick leave, teachers shall file an official leave form stating the day or days absent. The administration shall provide this form upon the teacher's return. Teachers shall not be required to state reasons or nature of illness for sick leave. When a teacher is out on sick leave for more than three (3) consecutive work days, sick leave may be substantiated by a physician's note if it is requested by the principal, when such administrator has a reasonable belief that an employee has a problem which relates to attendance.

- a. Sharing of Sick Leave: An employee of the District ("authorizing employee") may authorize any other employee of the District ("recipient") to use sick leave that has accrued to the authorizing employee, subject to the following guidelines and stipulations:
 - i. A completed "Certification of Health Care Provider" form shall accompany any sick leave transfer request to document that such a qualifying illness has occurred.
 - ii. Transferred sick leave will be available for use upon approval of a properly completed request for transfer of leave (along with a properly completed "Certification of Health Care Provider" form) and depletion of all the recipient's leave, including annual leave, if applicable.
 - iii. If the recipient is a member of a sick leave bank, he/she must use donated sick leave days before drawing days from the bank.
 - iv. Requests for transfer of leave may be submitted only for the current payroll cycle applicable to the recipient. Credit of transferred sick leave will be processed upon receipt in the Payroll Office of all required forms in complete and proper form. Requests shall not be processed retroactively. The Superintendent may intervene on behalf of employees with extenuating circumstances.
 - v. The authorizing employee may authorize a minimum of one (1) day up to any number of days as long as the authorizing employee retains ten (10) sick leave days after donation pursuant to this article.
 - vi. The number of sick leave days donated to an employee within a single fiscal year shall be limited to the number of days remaining in that employee's standard working calendar. The same employee may receive additional donated days in subsequent fiscal years by filing additional leave transfer requests.
 - vii. If there is more than one authorizing employee for a recipient, the donated sick leave days shall be used by the recipient in the order that the documentation authorizing the donation is received from the authorizing employee. If received on the same day, the documentation shall be considered received from the employee with the most years of service with the School Board first, and any

other authorizing documentation received in the order of seniority of the authorizing employee.

- viii. Leave donated but not used will revert to the authorizing employee. However, the Board shall not be responsible to make retroactive adjustments to retired employees who, prior to retirement, donated sick leave days that could have been used for terminal pay purposes.
- ix. "Upfront" days are defined as sick leave days credited to employees before they are earned, as required in F.S. 1012.61. Such days may not be eligible for transfer until the employee has worked the required duration to earn the days.
- x. Sick leave days transferred from one employee to another under this policy may not be used for personal leave.
- xi. Transferred sick leave days may not be held or used for terminal leave purposes. Donated sick leave under this Article shall have no terminal value.
- xii. Sick leave transferred from one employee to another will result in payment of wages/salary applicable to the recipient of the leave, and the District will not be responsible for differences in the value of sick leave transferred under this policy.
- xiii. The authorizing employee must retain ten (10) sick leave days after donation pursuant to this Article.
- xiv. To be eligible to donate sick leave pursuant to this Article, the authorizing employee must have been employed a minimum of one full school year before the date of the authorizing employee's donation.
- xv. One sick leave day referenced in this Article shall mean the number of hours the employee is contracted to work for one work day.
- xvi. Participation in this Sharing of Sick Leave policy shall be voluntary for the recipient and the authorizing employee.

3. Personal Leave with Pay

Six (6) days leave per year may be used for the teacher's personal business. Leave of this type is noncumulative and chargeable against accrued sick leave. A teacher planning to use a personal leave day or days shall notify and gain the approval of his/her principal using the appropriate form at least twenty-four (24) hours in advance except in the case of an emergency (See Definition, 5.a. below). The teacher shall suffer no loss of pay for such leave and shall not be required to give reasons except that the leave is for "Personal Reasons."

4. Personal Leave without Pay

A teacher may be granted leave days without pay for personal business when extenuating circumstances dictate. This leave may be granted to a teacher only when he/she cannot otherwise schedule his/her business outside of normal working hours. A reason must be stated with the request. Personal leave without pay shall be submitted to the principal at least three (3) days prior to the requested date of leave. The principal shall review the leave request for approval on a case by case consideration. Any employee who is absent without authorization may be disciplined after consideration of the facts and in accordance with disciplinary procedures adopted by the Board.

5. Emergency Leave

a. Definition

Emergency leave shall be leave taken for a sudden unexpected happening; an unforeseen occurrence.

b. Emergency Leave without Pay

Leave days for emergency purposes may be granted without pay. Leave of this type must be certified in writing on the appropriate form through channels for approval by the Superintendent or his/her designee.

6. Days Immediately Preceding or Following a Student Holiday

A teacher requesting a personal day for a work-day immediately preceding or following a designated student holiday, as listed in the Board approved Student Calendar, must receive prior approval using the appropriate form at least twenty-four (24) hours in advance from their administrator. The administrator may deny a personal day request during this period to ensure the safety and supervision of students. The administrator will make all reasonable efforts to ensure the approval of such requests are fairly distributed among the teacher requests.

Once 10% of a school's classroom teachers have requested leave, via submission of a leave form for a day immediately preceding or following a designated school holiday, the administrator may request the sick leave to be substantiated by a physician's note. Principals will notify faculty upon reaching the 10% threshold. Failure to provide such documentation within a week of the request, will lead to forfeiture of the teacher's pay for the day(s) in question, resulting in unpaid leave.

Emergency Leave exceptions will be approved by the administrator on a case-by-case basis.

7. Court Leaves

Leave with pay shall be granted to any teacher when called for jury duty or subpoenaed as a witness, or when a written notice to appear in court is received. A copy of the court order or subpoena shall be attached to the appropriate form and the completed form must be approved prior to the leave.

8. Illness-In-The-Line-Of-Duty Leave

A teacher shall be entitled to illness-in-the-line-of-duty leave when he/she has to be absent from his/her duties because of a personal injury received in the discharge of duty or because of illness from any contagious or infectious disease contracted in school work. Such illness or injury must be certified by both his/her principal and a physician, then forwarded to the Superintendent for his/her recommendation and submission to the Board for approval or disapproval. Except for worker's compensation claims, a teacher who has any claim for compensation under this section while absent because of illness contracted or injury incurred as prescribed herein shall file a claim within five (5) working days following his/her return from such absence. The Board shall approve such claims and authorize the payment thereof, provided that the Board shall satisfy itself that the claim correctly states the facts and that such claimant is entitled to payment in accordance with the provisions of this section. The use of illness-in-the-line-of-duty leave, shall result in no reduction of the teacher's accumulated sick leave. Such leave shall be authorized for a total of not to exceed ten (10) school days during any school year for illness contracted or injury incurred from such causes as prescribed above.

9. Temporary Duty Elsewhere

Teachers on Temporary Duty Elsewhere shall receive their regular pay and may be allowed expenses.

10. Military Leave

When their obligation to the United States Armed Services makes unavoidable their failing to meet contractual duties, all members of the bargaining unit will be granted military leave in accordance with the law. Requests for such leave must be submitted in writing on the proper military leave request form with a copy of the orders attached to such form.

11. Professional Leave

- a. Professional leave days with pay while school is in session, when properly requested and approved by the Superintendent or his/her designee, may be granted to teachers for the purpose of the following:
 - i. Attending and/or participating in professional meetings relating to educational workshops, educational seminars, clinics, or educational conferences in their subject area or area deemed beneficial to the school system by the Superintendent.
 - ii. Visitation for the purpose of observing instructional techniques or programs in their subject.
- b. Professional leave days with pay when properly requested and approved by the Superintendent or his/her designee may be granted to teachers during pre- and post-planning days for attendance in college courses for the purpose of extending certificates or for the purpose of earning credit toward being certified in the subject area of teaching responsibility. This request should be filed with Human Resources by ten (10) days prior to the post-planning period for leave during post-planning and pre-planning.
- c. Professional leave days without pay when properly requested and approved by the Superintendent or his/her designee may be granted to teachers during pre- and post-planning days for the purpose of attending college classes for reasons other than that stated in subparagraph b. above or for the purposes set forth in subparagraph a. above.

12. Bereavement Leave

Teachers will be granted three (3) days of bereavement leave due to a death in the immediate family, still birth or miscarriage. Immediate family shall be defined as father, mother, brother, sister, husband, wife, child, other close relative, or member of his/her own household. Bereavement leave is of special nature and may not be deferred or converted to any other purpose and will not be deducted from earned leave. It is not charged against any other leave account. The employee will not be paid for days not scheduled to work. A published obituary or official funeral program will be required for documentation, or in the case of miscarriage or stillbirth, a doctor's note will be required.

13. Filing Leave

Leave in this Section (B) must be applied for on the authorized form with attachments if required and submitted to the immediate supervisor. The completed form must be submitted to the supervisor by the end of the first day the teacher returns to duty in the case of sick, emergency, or illness-in-the-line-of-duty leave. The administration shall provide this form upon the teacher's return. Otherwise the form must be submitted in advance in accordance with the provisions of this Section (B). Leave requests must be filed with Human Resources.

14. Domestic Violence Leave

Effective July 1, 2007, any employee who has been employed for at least three (3) months, and who has used all of his/her regular leave (zero balance) shall be granted up to three (3) days of

leave per contract year due to domestic violence, which may be used to address matters including seeking an injunction for protection; obtaining medical care or mental health counseling for themselves or for a family household member to address physical or psychological injuries arising from domestic violence; obtaining services from a victim-services organization such as a domestic violence shelter or rape crisis center as a result of an act or domestic violence; making an employee's home secure from a perpetrator of domestic violence or seeking alternate housing; or seeking legal assistance or attending or preparing for court related proceedings regarding acts of domestic violence. Domestic violence leave is of special nature and may not be deferred or converted to any other purpose. It shall not be charged against any other leave account. Application for domestic violence leave shall be made to the Superintendent and shall be granted by the Superintendent or his/her designee. Except in cases of imminent danger to the health and safety of the employee or a family or household member, employees seeking such leave under this provision shall, at the time of making a request, provide advance notice of the need for sick leave and provide documentation about the domestic violence circumstances. Details about the situation may be requested by the Superintendent and may include a request for appropriate documentation, including, but not limited to, police reports, court injunctions/documents and proof of legal counsel in relation to such documents. Leave may be with or without pay at the discretion of the Board.

C. FMLA Leave

1. Leave pursuant to the Family and Medical Leave Act (FMLA Leave) must be authorized and approved by the Superintendent or his/her designee. The request, with required documentation, must be submitted at least thirty days before the date on which the leave is to begin, or, if the need for leave is not sufficiently foreseeable, as soon as practicable. The teacher shall schedule any planned leave so as to not unduly disrupt the operations and educational mission of the School Board. FMLA leave will begin on the first work day on which the teacher is absent as a result of the emergency or other situation requiring the leave. Upon expiration of FMLA leave, a returning teacher will be returned to the same or an equivalent position as defined in the Family and Medical Leave Act. For leave due to the teacher's illness, a statement from the physician verifying the teacher's fitness for duty must be on file with Human Resources prior to reemployment.
2. Teachers with at least twelve (12) months of service, who have worked 1,250 hours or more prior to the start of FMLA leave ("qualified employees"), will be granted leave without pay for incapacity due to pregnancy, prenatal medical care, childbirth, care of the employee's child after birth, adoption of a child (including foster care placement), or a serious health condition of the teacher or to provide necessary care for a member of his/her immediate family (spouse, child, parent), due to serious health condition. Such leave will be granted for up to a maximum of twelve (12) weeks in a twelve (12) month period. The amount of leave available for an eligible employee is calculated by using a "rolling" twelve month period measured backward from the date an employee uses any such leave. However, for counting the 26 weeks of military caregiver leave, the District will measure the single 12-month period by looking forward from the date an employee's leave to care for the covered service member begins. Leave for birth or adoption of a child must be taken within twelve (12) months of the birth, adoption, or placement for foster care. If both parents are district employees, such employees are permitted to take only a combined total of twelve (12) weeks of leave during any twelve month period for such birth, adoption, or placement for foster care.
3. Qualified employees with a spouse, son, daughter or parent on active duty or call to active duty status in the National Guard or Reserves in support of a contingency operation may use their twelve (12) week leave entitlement to address certain qualifying exigencies. An employee may not take exigency leave if the service member is a member of the Regular Armed Forces. Qualifying exigency leave is available for short-notice deployment (up to 7 days leave available when the service member receives 7 days or less notice of a call to active duty), military events and activities, arranging for alternative childcare and school activities (but not normal ongoing

childcare), addressing certain financial and legal arrangements, attending certain counseling sessions, rest and recuperation (up to 5 days leave permitted when the service member is on temporary rest and recuperation leave), attending post-deployment activities, and additional activities which may arise out of active duty (provided that the District and the employee agree on the timing and duration of leave for these additional activities). The District will require each employee to provide a copy of the service member's active duty orders the first time the employee requests exigency leave.

4. Military Caregiver Leave. A spouse, son, daughter, parent, or next of kin who is a qualified employee can take up to 26 work weeks of FMLA leave during a single twelve (12) month period without pay to care for a current member of the Armed Forces, including a member of the National Guard or Reserves, who has a serious injury or illness incurred in the line of duty that may render the service member medically unfit to perform his or her duties for which the service member is undergoing medical treatment, recuperation, or therapy, or is in outpatient status, or is on the temporary disability retired list, for a serious injury or illness.
5. Intermittent FMLA leave or a reduced leave schedule may be granted because of the serious health condition of the teacher or the teacher's immediate family (spouse, child, parent), within the maximum twelve (12) week leave period. In addition, intermittent leave or a reduced leave schedule may be granted to a qualified employee to care for a covered service member with a serious injury or illness with the maximum 26-week leave period. The appropriate documentation providing the medical necessity for and dates and duration of the leave must be provided. Teachers needing intermittent FMLA leave or leave on a reduced leave schedule must attempt to schedule their leave so as not to disrupt operations of the School Board. In addition, after consultation with the teacher, the School Board may, at its option, assign a teacher to an alternative position with equivalent pay and benefits that the Board determines will better accommodate the teacher's intermittent or reduced leave schedule. If a teacher needs intermittent leave or a reduced leave schedule involving more than 20% of the working days during the period over which the leave extends, then, after consulting with the teacher and the principal, the Board may, at its option, require the teacher to choose either to: (1) take leave for the full period of the planned treatment; or (2) transfer temporarily to an alternative position if one is available, for which the teacher is qualified, which has equivalent pay, and which the Board determines will better accommodate recurring periods of leave than does the teacher's regular position.
6. FMLA Leave which is requested by a teacher with a request to return to work three weeks or less than three weeks before the end of the semester, or if the teacher requests FMLA Leave during the last three weeks of the semester, special rules apply under the Family Medical Leave Act which may result in the Board requiring the teacher to continue taking leave until the end of the semester.
7. At the teacher's option, sick leave days which have been earned or donated and, when sick leave days are exhausted, earned annual leave days, may be used during FMLA leave to care for a sick family member or because of the teacher's own illness, including any period of disability due to pregnancy, or for the adoption of a child. In addition, earned annual leave may be used during any other FMLA leave. Pay shall not be rendered for any period of time beyond the number of sick leave and annual leave days on record.
8. The Board will maintain coverage under its group health plan for any teacher granted FMLA leave. The teacher's portion of the health insurance premium shall be deducted from any pay received by the teacher during FMLA leave. During unpaid leave, the teacher may continue group health plan coverage by arranging payment of the teacher's share of the premium. If the teacher does not return from FMLA leave as scheduled, the Board may recover premiums for maintaining group health coverage paid during the leave, unless the teacher's failure to return to work was due to medical or other circumstances beyond the control of the teacher.

D. Extended Leave

1. When FMLA leave expires, and extended leave beyond twelve (12) weeks (or twenty-six (26) weeks for Military Caregiver Leave) is needed, or if the employee is not eligible for FMLA leave, leave of this type may be requested and must be authorized and approved as stipulated below. The request with required documentation must be on file with Human Resources and approved prior to the effective date of leave, and must be in accordance with the provisions of Section A and Section B of this Article. Upon return from extended leave, reassignment will be based on seniority and only to a position which is vacant at the time of the return, and for which he/she is qualified, in accordance with the provisions of Section A.2. and in accordance with the provisions below.

2. Extended Sick Leave

An extended leave of absence for reasons of personal illness or illness of father, mother, husband, wife, or child may be granted to a teacher for up to one (1) year of disability if verified by a physician, or in accordance with D.8. Sick leave days which have been earned or donated and, when sick leave days are exhausted, earned annual leave days, may be used for this purpose but pay shall not be rendered for any period of time beyond the number of earned sick leave days and annual leave days on record. Sick leave days which have been granted in accordance with the rules of the Sick Leave Bank may be used for this purpose if such leave is granted solely for personal illness; however, pay shall not be rendered for any period of time beyond the number of sick leave days granted by the Sick Leave Bank. Extended sick leave shall be granted only for the period of time of physical disability verified by the physician, must be approved by the Superintendent or his/her designee, and a statement from the physician verifying the teacher's ability to return to work must be on file with Human Resources prior to reemployment. Additional leave may be approved, on a case by case basis, as a reasonable accommodation for employees with disabilities.

3. Maternity Leave

Leave may be granted to a teacher for pregnancy during a period of time from nine (9) months prior to the due date and two (2) months after delivery or for whatever period of time of disability designated by the attending physician, which is directly a result of the pregnancy. A physician's statement shall accompany such request and must verify the dates requested. The request must be approved by the Superintendent or his/her designee. Sick leave days which have been earned or have been granted in accordance with the rules of the Sick Leave Bank may be used during any portion of this leave during which the physician verifies in writing that the teacher is disabled, otherwise maternity leave shall be without pay.

4. Child Care Leave

Leave without pay may be granted to any teacher for the purpose of the care of a dependent child under the age of two living in the same household. If the dependent child in the same household is over the age of two, an accompanying statement from a physician verifying the need for the teacher to care for the child and verifying the period of time required for such leave must accompany this request. The request must be approved by the Superintendent or his/her designee.

5. Military Leave

- a. Any teacher serving in the uniformed service as defined under the Uniformed Services Employment and Reemployment Rights Act shall be granted extended leave without pay, by the Superintendent or his/her designee, for such service up to a cumulative maximum of five (5) years. This may be extended at the request or for the convenience of the federal government or upon authorization of the President of the United States. A teacher returning from such leave shall be returned to employment, without prejudice,

provided the employee was not released from military service under dishonorable or other punitive conditions and application for re-employment is filed in accordance with the requirements of federal law. The school district shall employ the teacher returning from such leave within the timeframe prescribed by federal law. Such teacher shall be returned to his/her former position or to a similar position satisfactory to the teacher and for which he/she is fully qualified.

- b. Teachers who are members of the National Guard or Reserves who are called to active military service shall be granted extended leave by the Superintendent or his/her designee. Such leave shall be with full pay and benefits for the first thirty (30) calendar days. For the 1990-92 school years, the School Board shall supplement the individual in an amount necessary to bring his/her total income, inclusive of the total military income, to the level for which he/she was contracted at the time he/she was called to active military duty and shall continue to provide insurance benefits in the same manner as that provided other full time teachers who are on School Board approved extended leave, so long as he/she remains on active duty. A teacher returning from such leave who reapplies to be reemployed in accordance with law, shall be returned to employment without prejudice according to the provisions set forth in law.

6. Extended Professional Leave

A leave of absence for professional improvement, without salary, may be granted for any teacher, upon application, for up to one (1) year and upon reapplication, for up to a second year, for the purpose of the following:

Engaging in study at an accredited university in his/her subject area or area deemed beneficial to the school system by the Superintendent.

- a. Full-time participation in the federally sponsored Peace Corps or Job Corps.
- b. Participating in foreign exchange teaching programs.
- c. Full-time teaching in his/her subject area in Department of Defense or Department of State programs.
- d. Engaging in study or an activity deemed beneficial to the school system. Such applications shall be subject to approval by the Contract Monitoring Committee. Approved applications shall be forwarded to the Superintendent for final approval.

Application for such leave shall be submitted to the Superintendent not later than sixty (60) days prior to the start of the date when the leave is to commence. Application for reemployment should be filed at least six (6) months prior to the end of leave. Upon return from such leave the teacher shall be returned to a position which is vacant at the time of return and for which he/she is certified.

7. Foreign Exchange Teacher Leave

- a. The School Board may grant leave to an employee for the purpose of teaching abroad as a foreign exchange teacher in accordance with the following rules:
 - i. Consideration for approval for foreign exchange teacher leave will only be given to certified staff members who have taught in, or have served as an administrator in, the schools of the Clay County School District for a continuous accumulated total of five (5) years, who are eligible for reappointment and who have not received an unsatisfactory evaluation during their employment term with the District.

- ii. Said leave shall be for a period of one (1) contract year and may not be extended.
 - iii. During the time the staff member is on foreign exchange teacher leave, said teacher shall be under contract with the School Board and shall continue to receive salary and benefits from the District which shall be the same as those for all other Clay County School District teachers as required by the applicable collective bargaining agreement and School Board salary schedule. Said teacher shall be obligated to report to the District all annual, personal and sick leave days taken while on foreign exchange teacher leave in the same manner as if he/she had not been on foreign exchange teacher leave. Entitlement to contractual salary and benefits shall terminate if the exchange teacher fails to meet the conditions of the foreign exchange teacher leave, loses his/her valid Florida Teaching Certificate or is terminated or disciplined for cause by the School Board in accordance with Board policy.
 - iv. Upon completion of the foreign exchange teacher leave, but prior to final payment of salary to the individual on said leave, the exchange teacher shall submit to the Superintendent a report or other documentation satisfactory to the Superintendent which proves that the exchange teacher received a satisfactory teaching evaluation from the foreign teaching supervisor, proof of satisfactory attendance and compliance with any other terms or conditions of the foreign exchange teacher leave as may be requested. Upon proof of compliance with this subsection, including a satisfactory evaluation, the teacher shall receive credit for the year of foreign teaching experience.
 - v. Upon return from foreign exchange teacher leave, the teacher shall be required to accept employment as a teacher for the subsequent school year in any position offered by the School Board for which he/she is qualified.
 - vi. The School Board shall not be responsible for any financial losses incurred by the employee related to or resulting from or as a consequence of the employee's participation in the foreign exchange teacher leave program other than those financial obligations set forth in the employment contract and those specifically imposed by Florida law.
- b. Application for foreign exchange teacher leave must be made to the Superintendent not later than sixty (60) days prior to the school year when the leave is to commence. The application must include:
- i. A letter specifying that the leave request is for foreign exchange teaching; stating the name of the approved exchange institution and the specific teaching assignment, if determined.
 - ii. Proof of acceptance by the approved exchange teaching organization.
- c. The Superintendent shall determine whether or not the foreign exchange teacher leave is appropriate for and in the best interest of the needs of the District.

8. Extended Personal Leave

There are conditions which make it reasonable for a teacher to be temporarily excused from his/her contractual obligations for personal reasons. Extended personal leave may be granted only for a maximum of one (1) year. Leave for this purpose must be supported by appropriate documentation and the request must be on file with Human Resources and approved, by the Superintendent or his/her designee prior to the effective date of leave.

9. Fitness for Duty/Medical Examination

- a. If the Superintendent has a reasonable belief based upon objective evidence to indicate that an employee's ability to perform the essential job functions will be impaired by a medical condition or that an employee will pose a direct threat due to a medical condition, the Superintendent may require the employee to submit to a physical, medical or psychiatric examination or other laboratory tests to determine the employee's fitness to perform the essential functions of the employee's position.
- b. Any examination performed under this Article will be performed by a medical physician, psychologist, or psychiatrist selected by the employee from a list of at least three (3) physicians, psychologists, or psychiatrists. A Fitness for Duty Certification form shall be submitted by the examining physician, psychologist, or psychiatrist to the Superintendent, or designee and to the employee. Otherwise, the Fitness for Duty Certification form will remain confidential. Where the Superintendent receives a medical report that the teacher is infected with or is a carrier of a contagious disease, a medical examination by a public health physician may be required.
- c. If the employee disagrees with medical examination results other than substance abuse tests, the employee may, within five (5) working days of receiving the results of the examination, provide the Superintendent with medical or psychiatric verification from the employee's own physician, psychologist or psychiatrist. An employee may not be reimbursed for the expense of any medical, psychological or psychiatric examination conducted by the employee's own physician, psychologist, or psychiatrist.
- d. Teachers contracted under such schedule shall be exempt from the provisions of Article VII, sections A and B (preparation time) and Article VI, sections A and B1 (duty free lunch).
- M. Performance Pay Plan-Instructional Personnel Salary Schedule/Calculations for Performance Pay
- Under F.S. 1012.22
1. Performance Pay Schedule includes employees holding Annual Contract status, including those who elected to move from the Grandfathered Schedule to the Performance Schedule, thereby relinquishing their PSC or CC contracts.
 2. Grandfather Schedule (GF) includes those employees who currently hold a Professional Services Contract or Continuing Contract.
 3. A process will be developed to allow teachers on GF Salary Schedule the opportunity for a one time schedule change by September 30th of each year to opt into the Performance Pay

Schedule pursuant to F.S. 1012.22(1) (c) 4. Grandfathered teachers who opt into the Performance Pay Schedule forfeit their PSC or CC contracts to come into this schedule.

- The 2017-2018 Salary Adjustments for Performance Pay will be determined by the following formula:

Per F.S. 1012.22, "The annual salary adjustment under the performance salary schedule for an employee rated as highly effective must be at least 25 percent greater than the highest annual salary adjustment available to an employee of the same classification through any other salary schedule adopted by the district. The annual salary adjustment under the performance salary adjustment for an employee rated as effective must be equal to at least 50 percent and no more than 75 percent of the annual adjustment provided for a highly effective employee of the same classification."

Once placement is determined, salary adjustments will occur based on performance appraisals. Only teachers receiving a rating of Highly Effective or Effective will be eligible for a salary adjustment.

Salary adjustments for performance will be determined by the following formula:

Instructional Personnel, Continuing Contract, PSC Teachers	Instructional Personnel on Annual Contract <i>(all personnel on annual contract as of July 1, 2014)</i>
Highly Effective = 1.0	Highly Effective = 1.25
Effective = 1.0	Effective = 1.0
Needs Improvement or Unsatisfactory = .0	Needs Improvement or Unsatisfactory = .0

The total number of teachers with a final evaluation rating of Highly Effective or effective will be multiplied by the appropriate weight for a weighted total of teachers. The weighted total number is divided into the annually negotiated sum of the monies available for performance pay to determine the salary adjustment. The adjustment will be a permanent addition to the employee's base salary.

The amount of salary increases will be based on the negotiated funds available each year.

Formula:

$$\text{Negotiated dollars} = (\# \text{ of PSC/CC}) (1.33X) + (\# \text{ of PPE}) (X) + (\# \text{ of PPHE}) (1.34X)$$

PPE = Performance Pay Effective

PPHE = Performance Pay Highly Effective

- Teachers who are on Probationary Contract will receive no base performance salary increase.
- All teachers are encouraged to review F.S. 1012.22 as it is related to the new performance pay required by the Student Success Act enacted July 1, 2011. If there are any changes to any statutes regarding Performance Pay, the parties shall reconvene immediately to negotiate such changes.
- Any release-time officer of CCEA shall receive an evaluation score not lower than the highest performing instructional employee.
- History of negotiated adjustments
 - 2013-2014: \$446* (This was the year we converted to a new salary schedule. Teachers were moved over and up a level, resulting in a pay increase prior to the additional \$446.)
 - 2014-2015: \$0

- 2015-2016: \$500 to all instructional employees
- 2016-2017: The parties agree to the total amount of the negotiated dollars which includes the employee's contribution of 16.47% for benefits.

TOTAL: 2,064,575.90 to be applied to the agreed upon formula.

- 2017-2018: The parties agree to a salary increase of \$1,000 for PSC/CC teachers in accordance with the established pay for performance formula.

- 2019-2020: The parties agree to a salary increase of \$2,000 for PSC/CC teachers in accordance with the established pay for performance formula.
- 2020-2021: The parties agree to a new minimum base salary of \$44,867. The Entry Salary Schedule is updated in Appendix IV A. All Instructional Personnel shall receive a minimum \$1,200 salary increase.
- 2021-2022: The parties agree to a new minimum base salary of \$47,500. The parties also agree to a one-time bonus for all instructional personnel with a 2020-2021 final evaluation and employed at the time of ratification, guaranteeing a total compensation package of \$3,000. Appendix VII: Reduction in Force: Affected Subject Areas

The “current teaching assignment” or the “affected subject area” are identified as teaching areas subject to reduction and are as follows:

- Elementary Basic Education (K-6 or K-5) counts as one grade level and one single affected area. Reading Coaches and Math Coaches are included in this affected subject area. Instructional Technology is also included in this area provided the teacher holds elementary certification.
- K-12 Subject Area Specializations: (Music, Art, Educational Media Specialist, P.E., Guidance, secondary Networking Specialist, and ESOL) are identified separately by each specialization/subject area.
- ESE Specific Subject Areas: (Speech/Language Impaired, Specially Designed Physical Education, Pre-K Disabilities, Homebound, Support Facilitator, Strategic Intervention, ESE Specialist, Gifted, Inclusion, ESE Alternative, Intellectually Disabled-E, Intellectually Disabled-T, Intellectually Disabled-P, E/BD, SED, VE/LI, HI, VI, PI, and OT) are identified separately by each subject area.
- Secondary Education Specific Subject Areas: (Social Studies, Language Arts, Math, Science, and Reading) are identified separately by each specific subject area.
- Other Subject Areas: (Individual Foreign Languages, Business Education, Agriculture, Family and Consumer Science, Marketing, Technology Education, Driver’s Education, Humanities, Journalism, Speech/Debate, Drama, NJROTC, and Drop-out Prevention) are identified separately by each specific subject area.

Note: Each of the subject areas listed in this category carry their own unique certification.

The attached list developed by the Director of Instructional Personnel Services, further describes “subject areas” as used by the Division of Human Resources in reducing staff.

- Special programs and grants are considered separate ‘programs’ and thus stand on their own. Title I is an area that falls into this category.
- Drop-out Prevention is classified and grouped within the assigned subject area.
- As new course offerings/specialized assignments occur, the affected subject area, the basis of certification, and the current teaching assignment will be identified through one of the categories listed above.

PLEASE NOTE: Teachers assigned more than one subject/specialization area will follow the surplus rule for that particular subject area or specialization identified as the majority. (Example: Teaching assignment is split between English (60%) and Drama (40%); the teacher will follow the surplus rule for Language Arts.)

GROUPINGS BY FLORIDA COURSE CODE DIRECTORY

MATH

All math courses are grouped under the common certification of mathematics

ENGLISH

All English courses are grouped under the common certification of Language Arts

READING

Reading courses are grouped under Language Arts in the Course Code Directory. However, Reading is considered a separate subject area as certification in the subject of 'Reading' is required.

SOCIAL SCIENCE

The Course Code Directory groups all social studies subjects under the broad field of Social Studies. Social studies subjects include history, economics, political science, sociology, psychology, anthropology, religion, multi-cultural studies, interdisciplinary and applied Social Studies and geography. It is rare but possible for individual coverage for these subject areas to exist.

SCIENCE

The category of Science has several distinct certification areas. The Course Code Directory divides these areas into the following categories:

- **Biological Sciences:** all levels of Biology and Anatomy/Physiology, Botany, Ecology, Limnology, Zoology, Biology Technology, and Genetics
- **Earth/Space Sciences:** all levels of Earth/Space Science, Astronomy, Environmental Sciences, Integrated Sciences, and Marine Sciences. Space Technology/Engineering and Forensic Sciences are also included in this area.

Introduction

The Clay Assessment System is based upon the belief that the appraisal of employees should be fundamentally developmental and rewarding, both to the individual and to the organization. The appraisal system is also based upon the Florida Educator Accomplished Practices. The Clay Assessment System recognizes that the appraisal of teachers must be primarily based on the performance of students assigned to their classrooms and schools. Continuous professional development that results in improved student learning is the goal of appraisal.

The Clay County School Board and the Superintendent are committed to the goal of ensuring that the Clay Assessment System reflects the following standards and characteristics:

1. Promotes the growth and development of the individual and the continuous improvement of the organization;
2. Is fair, equitable and legally sound;
3. Has a procedure for collection, retrieval, and use of data from a variety of sources to provide feedback to the teacher and administrator;
4. Provides data for recognizing high performance through a variety of means;
5. Considers the specific conditions of the site;
6. Allocates time to collaboratively plan, coach, and counsel for higher performance;
7. Provides levels of appraisal;
8. Provides orientation on the appraisal system and skill development in implementing, observing, monitoring, coaching, and/or counseling for those involved in the system;
9. Recognizes the mission of the educational system and the role of educators in ensuring success for all students;
10. Reflects opportunities for self-direction and self-appraisal.

Assurances

1. Group orientation will be held for all certified personnel outlining the assessment process.
2. Each teacher will have the benefit of an individual pre-evaluation conference with the evaluator during the first six weeks of the school year or within two weeks of employment.
3. All evaluators will be trained in appropriate evaluation techniques and the use of the proper instruments and procedures prior to their use of this assessment process.
4. All instructional personnel will be assessed annually. Annual Contract, Professional Service Contract or Continuing Contract instructional personnel will be evaluated at least once each year. Probationary annual teachers will be observed and evaluated twice a year.
5. This assessment process and instruments will be monitored through annual review, by the CAS Committee, as established through collective bargaining and through approval by the School Board and the Department of Education to allow for collaboration with all key stakeholders.
6. This assessment plan will not discriminate on the basis of race, national origin, religion, marital status, sex or disability.
7. This assessment plan meets the criteria established by the Florida Legislature, is based on sound educational research, and includes the core of effective practices.
8. Assistance in improving performance will be provided and documented, when necessary, through the Professional Development Plan. This plan may include peer review and assistance.
9. Compliance with statutory requirements regarding probation for teachers will not alter administrators' responsibilities to provide support and assistance to teachers experiencing performance problems.
10. In accordance with the collective bargaining agreement (Article XXVIII.F.1.) any Professional Service Contract or Continuing Contract teacher with an overall assessment rating of Unsatisfactory for the year will not receive a pay increase the following year. An Annual Contract teacher with an Unsatisfactory evaluation will not be reappointed. Any reappointed teacher with an Effective rating for the year will be eligible for consideration for receipt of the negotiated pay raise.
11. The Master Contract grievance procedure is available to appeal evaluation procedures if a teacher believes that all required steps were not properly followed.
12. The evaluation ratings and results may only be appealed through the three-level appeals process specified in the Procedure section of this document for an unsatisfactory rating or as outlined herein for other appeals. A 90-day probationary teacher will follow the appeals process specified by law.
13. All teachers with classroom responsibilities regularly monitor and report the progress of their students as part of their professional responsibilities. Appropriate performance measures and indicators of student achievement growth will vary among teachers. When available and applicable standardized student achievement assessment results must be utilized as data on which, in part, the teachers' performance evaluation is based.

Instructional personnel who are not assigned classes or caseloads of students contribute, nonetheless,

to student achievement. Data that supports these contributions and documents their impact on student achievement/performance may be required as part of these teachers' evaluation.

14. Annually, every parent is given the opportunity to provide input regarding teacher performance by responding to the survey(s) distributed by the School Advisory Council. Additionally, in the annual edition of each school's Student Handbook, parents are reminded of the process for providing input regarding a teacher's performance. Such input from parents is shared with the teacher and may be used as one data source for assessment ratings on the Clay Assessment System. Input from parents, provided directly to the teacher, may constitute another data source under the CAS system.

Clay Assessment System (CAS) Procedures

In response to Florida Statutes and State Board of Education Rules, the following administrative procedures and timelines for assessing the performance of instructional personnel have been established by the School District of Clay County.

Orientation – An Overview to the CAS Process and Required Forms

By no later than six (6) weeks after the first day teachers report to school for the school year (or within two weeks after employment for a teacher hired after that six-week period), all instructional personnel will receive a copy of the Clay Assessment System. A copy will also be maintained in the media center of each school, in the supervisor's office, and the District Office. All instructional personnel will be provided orientation to the Clay Assessment System instrument to be used with them and to the procedures and forms to be used by the administrator. This will be conducted in a group setting at the beginning of the school year or individually upon hire.

All itinerant instructional personnel will be evaluated by the administrator or designated evaluator at the base school site or by the district-level supervisor to whom the teacher is assigned. All School District of Clay County assessment procedures will be followed.

Pre-Evaluation Conference

All instructional personnel will have an individual pre-evaluation conference with the administrator or designated evaluator. This pre-evaluation conference will be held no later than six (6) weeks from the teacher's contracted date of employment each year or no later than two weeks for employees hired after the start of the school year or after a change in job assignment as applicable. Self-assessment by the teacher is encouraged to assist with discussions during pre-evaluation, post-evaluation, and final evaluation conferences. Teachers may use Pages 16-19 of this manual for self-assessment and reflection although it is not a requirement. Please see page 14 for the "Framework" to assist both evaluator and teacher with dialogue/discussion during the pre- evaluation conference.

For teachers placed on probation or teachers who have begun to display performance problems, the required performance objectives and plans/timeline for providing assistance to the teacher may be developed on the Professional Development Plan during the pre-evaluation conference. When a teacher is at risk of non-renewal, the teacher shall be placed on a Professional Development Plan or a Deficiency Conference shall occur by March 1.

Required Observations

Formal Observations

1. Formal observations (one for PSC/CC/AC and two for PAC) are required as part of the assessment, and must be conducted by the administrator or designated evaluator and shall address the performance of the teacher's classroom or instructional duties.
2. The formal observations must be conducted by the principal or official evaluator and may not be delegated should the teacher begin to display performance problems.

3. The formal observations must be preceded by notice to the teacher at least three (3) working days before the observation.
4. The formal observations must not be less than 30 minutes in length.

Informal Observations

For all teachers, informal observations will be conducted by the administrator or designated evaluator and may take place at any time during the assessment year. Informal documentation, if created, will be reviewed with the teacher or sent to the teacher in written form. If there are concerns noted during an informal observation, documentation will be provided to the teacher within three working days.

A. Annual Contract (AC) Teachers

One formal observation and post-observation conferences shall be conducted each year and shall be completed no later than May 1 unless additional time is needed to determine the final overall assessment. For a new-to-Clay-County Annual Contract or interim teacher, the first formal observation and post-observation conference shall take place during the first semester of the teacher's employment. The first observation for participants in the Florida Professional Educator Competency Program (PEC) must be conducted in the first 45 days.

Probationary annual teachers will be observed and evaluated twice in accordance with state statute.

B. Professional Service Contract Teachers (PSC) or Continuing Contract (CC) Teachers

At least one formal observation and evaluation conference shall be conducted each year.

C. PSC Teachers or CC Teachers with Performance Problems

Should a PSC teacher or a CC teacher begin to demonstrate a pattern of performance problems, or if a PSC teacher or a CC teacher has been placed on a mandatory PDP due to performance problems during the last three (3) years, the evaluator shall be required to conduct at least one formal observation during the year using the CAS approved observation instrument on which the administrator has been trained. These observations, as well as the entire assessment process, must be conducted by the responsible supervisor and may not be delegated.

D. CC Teachers on Probation

For a CC teacher placed on probation, formal observations, post-observation conferences, and the observation instruments to be used during the formal observations are the same as those described for the probationary AC teacher. However, the final decision regarding the overall rating for the year must be made by March 1.

Timelines

- March 1:** Supervisor is required to provide to the Superintendent a recommendation regarding the teacher's reappointment for the next school year. A recommendation for reappointment may be made only if the supervisor has enough information to certify that the teacher's overall assessment rating for the year is, at least, Effective.
- March 1:** Deadline for a CC Teacher to receive an Overall Unsatisfactory Rating for any school year.
- May 1:** Deadline for submission of the statement from the evaluator to the Professional Development Office for a teacher participating in the Florida Professional Educator Competency Program (PEC). (The portfolio completion and final evaluation form for the Florida Professional Educator Competency Program (PEC) are due to the Professional Development Office one week prior to the CAS evaluation deadline.) If the evaluator believes that additional time could result in the correction of the problem(s) so that the Program could be satisfactorily completed, the final certification by the evaluator may be delayed until the end of the school year.
- May 1:** Deadline for completing the performance assessments for teachers.

It should be noted that the end of the teacher's school year is the typical deadline for completing a teacher's annual evaluation. Extremely unusual circumstances may result in the granting of an extension waiver by the Superintendent's designee in Human Resources. If the evaluation will require an extension beyond the end of the school year, the teacher will be informed in writing, no later than March 1, that an extension is needed. It is recognized that student achievement data may be received after the school year ends and that evaluations may be revised in accordance with statute.

Professional Development Plan

A Professional Development Plan (PDP) is required for teachers placed on probation, identified beginning teachers, and teachers with performance deficiencies.

Professional development is the joint, ongoing responsibility of the teacher and the administrator. Plans for assistance may be initiated or added to a teacher's PDP at any time during the school year through collaboration between the teacher and the administrator. The development of or addition to the PDP may be initiated by either the teacher or the administrator. Informal observation, data gathering, feedback, and ongoing assistance should take place throughout the school year.

The identified beginning teachers are at least those who are Florida Professional Educator Competency Program (PEC) (with portfolio required) and (ACP) Alternate Certification Program with a portfolio requirement. The PDP may be developed during the pre-evaluation conference or at any other time during the school year. However, if the development is due to an Unsatisfactory evaluation, performance objective and appropriate assistance must be added to the PDP within one week of the evaluation conference during which the Unsatisfactory rating was given.

- Unsatisfactory progress on the PDP by any probationary teacher shall be considered sufficient cause

for removal of the probationary teacher from employment in Clay County.

- At any time during the year, when a PDP is closed out, signatures should be obtained, dates and results should be completed and a copy of the finished form should be provided to the teacher. The evaluator's copy, however, should be held until the end of the evaluation year and submitted to the district office along with copies of all other required CAS forms. All PDP's must be closed out at the end of the year. If applicable, the PDP may be initiated again in the next year.

Pre-Observation Conference

A pre-observation conference may be required in order to provide context into the lesson and the setting in which the lesson is occurring.

Post-Observation Conference

Instructional personnel shall participate in an individual post-observation conference, with the evaluating administrator, within three (3) working days of a formal, pre-announced observation. At the conference the following should occur:

1. Data gathered from the observation will be shared with the teacher.
2. Documentation of the observation will be discussed and reflected on the CAS form.
3. Data gathered from other data sources, including student assessment data, will be reviewed with the teacher.
4. If applicable, the teacher's success in meeting objectives and completing activities on the PDP shall be addressed and recorded.

Post-observation conferences may be scheduled in the teacher's classroom.

Final Evaluation Conference

Instructional personnel shall participate in an individual final evaluation conference for the year with the evaluating administrator. In many instances, the last post-observation conference for the year, described above, will also serve as the final evaluation conference. At the conference, ample time to share will be given and include the following:

1. The teacher may bring self-evaluation to the post and/or final evaluation conference along with any other documentation to allow for sufficient annual review.
2. The overall rating of the teacher's performance for the year is given.
3. Signatures of the teacher and the evaluator, along with required dates, are completed, and copies are given to the teacher at the meeting, if requested.
4. The PDP is completed and signed, if applicable.

A copy of each form will be given to the teacher, if requested.

The Evaluation Instrument and support documents will be maintained on the district electronic platform.

Out-of-Field Teachers

Evaluations for out-of-field teachers should be conducted in the same manner as described herein. However, the evaluator will not expect the same level of subject matter knowledge on the part of the out-of-field teacher as with a teacher who is fully certified.

Probation

A. New Hires, including Interim Teachers

The first Annual Contract with the district shall be probationary. The first formal observation and post-observation conference shall take place during the first semester of employment. The School District of Clay County may accept the teacher's resignation without such action being considered a breach of contract or terminate the teacher's employment without cause prior to the end of the first initial Annual Contract.

B. Professional Service Contract (PSC) Teachers

A PSC teacher whose performance is found to be unsatisfactory at any time during the school year shall be placed on a 90 calendar day (exclusive of school holidays and school vacation periods) probationary period and shall be required to submit performance objectives on the PDP as part of his/her evaluation. The performance objectives shall be initiated within one week after the formal evaluation conference at which the unsatisfactory evaluation was determined. The PDP will be reviewed periodically but not less than once each four (4) week period until the performance objectives are completed or the 90 calendar days have ended. Recommendations and the final decision regarding the teacher's continued employment are made after the 90 calendar days have ended.

C. Continuing Contract (CC) Teachers

A CC teacher with an unsatisfactory evaluation shall be placed on probation to begin the next school year. For the probationary CC teacher, the evaluation periods shall coincide with first year AC evaluation periods, and observations and assessment forms shall be completed accordingly. Progress in improving student achievement during the year of probation must be measured by other than state or district assessments unless such test results can be available prior to March 1 of the probationary year. The CC teacher on probation will be required to submit performance objectives on a PDP as part of the evaluation. The PDP performance objectives will be initiated within one week after the post-observation/evaluation conference at which the unsatisfactory evaluation was determined. The PDP will be reviewed periodically but not less than once each six (6) week period until the plan is completed.

Should the performance of the CC teacher on probation not meet expectations by the end of the first evaluation period following the unsatisfactory evaluation (i.e. by the end of the first semester or by May 1), a decision shall be made whether to extend the probationary period or take such action as determined appropriate by the Superintendent. Should the probationary period be extended, a review shall be made by the Superintendent at the end of each evaluation period thereafter to determine the

appropriate action to be taken.

Peer Review and Assistance – for Teachers Experiencing Performance Problems

Clay County's Support Team of teachers is available to provide assistance to the teacher and the evaluator, upon request. The Support Team is made up of successful, experienced teachers who serve as peer teachers (CET trained) for beginning teachers and are trained in observing the teaching process and in providing support for the completion of requirements for the beginning teacher. A list is available through the Human Resources Division of approved peer teachers who may serve as members of a Support Team for peer review or assistance. Additionally, district-level specialists, district Resident Clinical Faculty teachers who work jointly with pre-service training at the University of North Florida and with on-the-job beginning teachers, and others are available at the request of the administrator and/or teacher for peer review and assistance.

When a teacher is required to help develop a PDP in order to address performance problems or as part of his/her probation, the assistance of support team members may be arranged directly by the administrator. The selection of the Resident Clinical Faculty teacher, district-level Specialist, Peer Teacher, Directing Teacher or other Support Team member should be made based on the training, skills, certification area and experience of the available members. Such assistance should be documented on the PDP.

NOTE: If no teacher certified in the same area as the teacher needing/requesting assistance is available through the currently-approved support team, a teacher who is not on the support team list but is certified in the appropriate area and is recommended by his/her principal may be asked to assist.

Appeals Process

Disagreements – Process and Procedure for Unsatisfactory Rating

A teacher may attach a written reply to the CAS Assessment form if he/she is in disagreement with the evaluator's observations and/or evaluation. This written response must be submitted to the evaluator no later than one week after the final evaluation conference. A copy of the response will be appended to each copy of the Assessment.

In cases where disagreements regarding unsatisfactory evaluations by supervisors cannot be resolved by the following procedures, including the PDP process and the additional observation, the employee may then appeal the overall Unsatisfactory rating through the following process:

- Level I:** Within three days of the final evaluation conference, the teacher shall request a separate observation by an administrator outside the site.
- Level II:** Within ten (10) working days of the separate post-observation conference conducted by an administrator outside the site during which the evaluation rating was given, the teacher requests a joint meeting with the administrator and the district office supervisor, if applicable, in an effort to resolve the disagreement satisfactorily. The meeting must take place within five (5) working days of receipt of the written request from the teacher. Documentation of performance must be provided by the administrator/evaluator. The decision resulting from this meeting must be

provided within three (3) working days of the meeting.

Level III: Within ten (10) working days of the decision at Level I, the teacher requests a joint meeting with the administrator/evaluator and a committee designated by the Superintendent. The committee should include five (5) people and be comprised of the following: two (2) teachers in the same subject area as the appellant; the teacher's principal; one school-based administrator outside the site, and one (1) district level administrator (other than the Level III administrator). The chairman shall be the district-level administrator. The committee will meet within ten (10) working days of receipt of the teacher's request and will review the assessment materials and all information produced at the Level I appeal and will interview those individuals they may deem necessary for reaching a decision. The decision must be rendered within five (5) working days of the meeting.

Level IV: Should the teacher not be satisfied with the results of the Level II appeal, he/she may appeal the decision to the Assistant Superintendent for Human Resources. Such appeal must be placed in writing by the teacher within ten (10) working days of the Level II decision and must cite the specific rationale for the appeal. The Assistant Superintendent for Human Resources will review the assessment materials and all information produced at the Level II appeal and will interview those individuals he/she may deem necessary for reaching a decision. His/her decision must be rendered within five (5) days of receipt of the teacher's appeal.

Special Note:

If, following the statutory 90 calendar day probationary period for an unsatisfactory rating, the teacher wishes to contest the Superintendent's decision regarding the teacher's continued employment, the appeal procedures specified in the applicable Florida statute shall be followed. The teacher shall receive written notice of the appeal process at the time he/she is placed on the 90-day probation.

Disagreements – Process and Procedure for Disagreements With Rating Other Than Unsatisfactory

Level I: Within ten (10) working days of the final evaluation conference during which the evaluation rating was given, the teacher requests a joint meeting with the administrator and the district office supervisor, if applicable, in an effort to resolve the disagreement satisfactorily. The meeting must take place within five (5) working days of receipt of the written request from the teacher. Documentation of performance must be provided by the administrator/evaluator. The decision resulting from this meeting must be provided within three (3) working days of the meeting.

Level II: Should the teacher not be satisfied with the results of the Level I appeal, he/she may appeal the decision to the Assistant Superintendent for Human Resources or the Superintendent's designee. Such an appeal must be placed in writing by the teacher within ten (10) working days of the Level I decision and must cite the specific rationale for the appeal. The Assistant Superintendent for Human Resources will review the assessment materials and all information produced at the Level I appeal and will interview those individuals he/she may deem necessary for reaching a decision. His/her decision must be rendered within five (5) days of receipt of the teacher's appeal.

Miscellaneous

In extenuating circumstances (such as extended illness) when a timeline cannot be met by the teacher, administrator or designated evaluator, a written request for a waiver may be sent to the Human Resources Division. The CAS procedures should then be completed by a mutually agreed upon time by those involved in the procedure.

All instructional personnel assessment files shall be held as confidential for a period of one fiscal year after the year of evaluation. Thereafter, such evaluation shall become public record.

Framework for Intentional and Targeted Teaching

School District of Clay County Framework for Intentional and Targeted Teaching

Establish Purpose	Focuses on students learning rather than a task, activity, or assignment. It must be interesting and relevant.
Modeling Thinking	Using “I statements” to explain thinking while demonstrating the task or strategy. Teacher may alert learners about errors to avoid, or show them how to apply new thinking.
Guided Instruction	Teacher questions, prompts, cues students, facilitates. Only if those don’t work, go to direct instruction.
Collaborative Learning	Students consolidate their understanding of the content and explore opportunities to problem solve, discuss, and negotiate thinking through productive tasks with their peers.
Independent Learning	Addresses the most important goal of good instruction-provide students with practice in applying skills and information in new ways independently.

**It is important to understand that this framework is not linear. Teachers and Students move back and forth among each of the components as they master skills, strategies, and learning standards. (Adapted from Fisher, D. 2014).

Instructions

Professional Development Plan (PDP) Completion

Numbers correspond to numbers on PDP Form.

1. Note competencies from the applicable CAS Performance Appraisal instrument that are being addressed by this PDP.
2. Specific, measurable objectives should be written in this column and developed collaboratively with the teacher. The objectives should clearly relate to the CAS competencies focused on by the PDP.
3. Activities and strategies designed to result in mastery of the objective noted in Column 2 are listed here. There should be a clear relationship between the activity or assistance listed and the objective to be accomplished. Each activity, strategy, assistance noted should include who is responsible for its initiation or completion. For example: "Mrs. A (Principal) will arrange for observation and consultation by the Resident Clinical Faculty teacher," or "Mrs. B (teacher) will check out materials recommended by the Resident Clinical Faculty teacher."
4. Note the projected date by which each activity or strategy will be completed.
5. For each activity, note specific results and outcomes. Be certain to date and initial each entry since results may be noted on any of the PDP monitoring dates.
6. Note date each time the PDP is reviewed. PDP must be reviewed at least once each 6 weeks.
7. No later than the date of the final PDP review. Indicate whether the objective written in (2) has been mastered. Mastery is determined by successful application/implementation in the classroom. Successful completion of activities noted on the PDP does not, alone, guarantee successful mastery of the objective. Indicate basis (evidence) you relied on to determine mastery (i.e. classroom observations, conferences, students= reports, etc.).

Note:

Sections 1 - 4 should be completed at the conference in which the PDP is initiated.

Sections 3 - 6 should be addressed each time the PDP is reviewed.

Section 7 should be addressed as soon as there is evidence of objective mastery. However, this Section must be addressed at the last PDP review.

At any time during the year, when a PDP is closed out, the teacher is provided a copy of the completed document.
